DTC Golf Day 2011

Proudly sponsored by **LOCKHEED MARTIN** 

Beautiful autumn weather greeted the 80 players at the DTC Annual Golf Day, held at the Tea Tree Gully Golf Course on March 30.

Congratulations to Chris Field, Mike Weeks (also our 'Nearest to the Pin' winner), George Urosevic and Kevin Wells from Wartsila, who fought off 19 other teams to take out first place. Second place consisted of Leon Morgan from Stauff Group, Neil McKay from Krueger Engineering, Mark Hinter from Avery Dennison Paxar and DTC CEO Chris Burns, while third place

went to the Candetti Constructions team, Cameron MacKellar, Ashley Maynard and Lorne McClurg, plus Darryl Holt from Raytheon.

A special thank you to all our generous sponsors, including Golf Merchandise Sponsor Lockheed Martin, and Drinks Cart sponsor Leadership Management Australasia. A wine tasting on the 12th hole with Grant Burge Wines along with a cheese tasting with Udder Delights, courtesy of Supporter Sponsor PricewaterhouseCoopers, proved to be a welcome addition to the on-course activities.

Other supporter sponsors included Migration Solutions, who also

sponsored 'Nearest to the Pin', Wartsila (who also sponsored the Longest Drive – won by the DTC's own Kerrie Nussio), St. Patricks' Technical College, Commonwealth Bank and MBA Financial Strategists. Thank you also to Michael Mons, Principal of Metron Design for his donation of a 42" plasma screen as the major prize in the Foundation Daw Park raffle.

The DTC would also like to thank all of you who participated on the day, we hope you had a good day and will make the event a regular fixture on your events calendar. Your participation ensured the day was a success.
