## Amber's leap of faith

OAKLANDS Park diver Amber Cameron (pictured) wants to make a splash on the world stage from her own backyard.

With Marion's State Aquatic Centre to host the 2012 World Diving Junior Championships, Amber, 16, is hoping to

be part of the national team for the meet. "It would be amazing to go out there in front of my home crowd. Being in Adelaide it will be a great experience," she says

A former elite gymnast, Amber switched sports eight years ago and now competes for Diving SA.
